Shaped by the wind it stands up majestically on the lagoon and even forms its own backwater, offering a wonderful panorama from the top. This atypical place is an amazing kitesurfing spot both for its beauty and the navigation conditions it proposes.

Two groups will be formed according to your level:

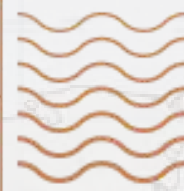

- Independent kitesurfers will navigate around the white dune before coming back to La Tour d'Eole with a downwind of 12 kilometers, accompanied by the team of Ocean Academy and the security boat.
- The rest of the group will enjoy the navigation around the white dune. They will be coming back to Tour d'Eole by Ocean Academy car. On the way back the group will be making a stop at the Asmaa thermal springs, a hot water source known for its dermatological benefits.

It is also possible to combine Speed Spot with Dune Blanche, before coming back to La Tour d'Eole with a downwind.

## KIDS CLUB

### *Sporting & fun activities*

Your pleasure, your serenity and your safety on the water are at the heart of our concerns, but the happiness of your children too!

If you want to fully benefit from your kitesurfing sessions or simply offer your children a fun time while you rest on the beach, the Ocean Academy offers you the Kids Club during this time, which welcomes children aged 4 to 12, free of charge.

Different fun or sporting activities lasting from 30 minutes to 2 hours can be offered to your children depending on their age and weather conditions. In front of the school, for the happiness of young and old alike, they can learn to surf, take a SUP ride or compete through races, handle a kite, go shell hunting or try to win the title of champion of sand castles.

We offer an appropriate supervision for all of these activities, but you can also share them to create lovely family memories.

Thanks to the Kids Club, you will no longer be the only ones having a good time on our beach and in our watersports center! The school reception will provide you more information upon your arrival.
